24 Hours of America
West Palm Beach, FL

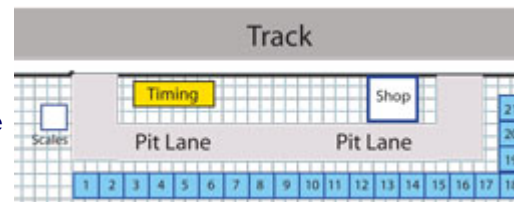

24 HOURS OF AMERICA: 1 month count down

New Karts - New Engines!

With just over a month before the 24 Hours of America, we are busy with final preparations. We have many new and returning teams including two teams coming from Italy with a possible 3rd and Richie Hearn returning with two teams.

NEW PIT LAYOUT: Palm Beach International Raceway (new name for Moroso) has revamped their entire facility (this includes the bathrooms!). In doing so, the pit area has been moved to the area we used for tent row last year. This means that teams will have front row seats for the pit action this year. Check out the [new layout](#).

INDIVIDUALS LOOKING FOR PLACEMENT: We have a large group of individuals looking for placement. If you are a single looking for a group, please contact Karen immediately. Our goal is to get everyone placed by the end of the week (Dec. 7th). 1-866-722-3669 or Karen@EnduranceKarting.com

TEAMS THAT NEED DRIVERS: Do you have a group together, but not quite enough for a full team? Contact Karen immediately and let her know. We are working on getting individuals and groups match up by the end of the week (Dec. 7th). 1-866-722-3669 or Karen@EnduranceKarting.com
